

TELECONFERENCING GUIDELINES FOR PUBLIC PARTICIPATION IN THE COUNTY OF ALAMEDA

CIVIL SERVICE COMMISSION MEETINGS

Shelter In Place Orders

Alameda County joined Contra Costa, Marin, San Francisco, San Mateo, and Santa Clara counties and the City of Berkeley in issuing similar public health officer orders directing their respective residents to shelter in place for three weeks beginning March 17, due to the Coronavirus disease 2019 (COVID-19). On March 31, the orders were extended until May 3, 2020. The orders limit activity, travel and business functions to only those that are essential.

In response to the COVID-19 pandemic, California Governor Gavin Newsom issued Executive Order N-29-20 on March 17, 2020, governing the convening of public meetings. Pursuant to the Executive Order, all members of local legislative bodies, including the County of Alameda Civil Service Commission, may participate in their meetings without being physically present (via teleconference), and no teleconference locations for the public are required to be provided or noticed in the meeting agenda. The public must be given the opportunity to observe and address the meeting telephonically or otherwise electronically.

In Person Participation Prohibited

Due to the public health emergency, the County of Alameda is making several changes related to the Civil Service Commission meetings to protect the public's health and prevent the disease from spreading locally. Due to the COVID-19 public health emergency, including local and State public health officer's directives for everyone to stay home, in person participation at Civil Service Commission meetings is limited to essential County personnel. The Civil Service Commission meeting room is closed to members of the public and non-essential County personnel. The public may observe and address the Commission in meetings in the following ways:
