

Green Ambassadors Debrief | May 2013

1. What were major benefits of the Green Ambassadors network? (for you, your colleagues, your department, etc.)

2. What was a significant challenge you noticed or experienced?

3. Prior to kicking off the Green Ambassadors Network pilot, roles were defined for each of the parties contributing to the process. Please assess on a scale of 1 to 6 whether each aspect of the defined role was not needed or whether it was valuable. Then assess on a scale of 1 to 6 to what degree each aspect of the defined role was fulfilled by the party.

Was this role needed?

Was this role fulfilled?

a. <i>Green Ambassador Role</i>	Not needed						Valuable						Did not fill						Fulfilled					
	1	2	3	4	5	6	1	2	3	4	5	6	1	2	3	4	5	6	1	2	3	4	5	6
Learn about County sustainability practices & policies																								
Deliver and evaluate campaigns																								
Build network & share learnings																								
Serve as the sustainability liaison in division																								

b. <i>Sustainability Role</i>	Not needed						Valuable						Did not fill						Fulfilled					
	1	2	3	4	5	6	1	2	3	4	5	6	1	2	3	4	5	6	1	2	3	4	5	6
Act as convener; Host trainings on sustainability																								
Gather input on campaigns; Design competitions & provide materials																								
Develop systems to build network & track outcomes																								
Respond to questions & provide technical expertise																								

4. To what degree do you recommend we continue the Green Ambassadors Network?

Not at All			Strongly		
1	2	3	4	5	6

5. What are general recommendations you have to improve the Green Ambassadors network?

6. What specific recommendations do you have for the following areas?

Green Ambassador Role (e.g., duties, expectations)	Meetings/Training	Campaign Design (e.g., how to make them more effective, incentives)	Tools (e.g., reporting, campaign materials, biomimicry principles)	Network (e.g., communication among the group)
